Eric,

I'm trying to get Dave Lacey (DEQ's Rhone Poulenc PM) more exposed to PH & the stakeholders. If there's room, I'd like to bring Dave along.

Jennifer, we are developing a head count of the people who would like to go on the site tour. Here are the members of the FS team that are interested in being on the tour:

DEQ: Jim Anderson, Matt McClincy, Tom Gainer, Ken Thiessen (Willamette Cove PM) and Shawn Rapp (Gunderson PM)
EPA: Chip Humphrey, Eric Blischke, Kristine Koch
FS Support: Todd King (CDM), Ron French (CDM), Karl Gustavson (ERDC), Brad Hernanson and Carrie Claytor (Parametrix).

That would be a total of 13. Please let me know if this is a problem.

Thanks, Eric

Eric,

Please be advised that we are unable to change the site tour to the afternoon of Monday, November 16th as requested in your email of October 21st. We are currently in the process of contracting a boat for the morning of Monday, November 16th. The tour will be held from 9 am to noon. Additional details to follow.

Eric,

This poses a conflict with a meeting that Carl Stivers and Bob Wyatt have with DEQ that afternoon. Let me inquire with Bob this morning if that meeting can be changed. I will get back to you.

I am drafting my email to you now with the information for the 11/18 QEAFATE presentation meeting.

Have a nice day.

Jennifer, we might rather do the boat tour in the afternoon if possible. Kristine would like to participate and she gets into Portland via train around 11:00 am.

Thanks, Eric

In my previous email, I did not mention date and time. We are available Monday morning for the site tour. What time Monday morning are you thinking of? I think 9:00 or 10:00 am would work for us.
